

ATPC 2022 Poster Session Presenter Upload Instructions

1. Log in and log out

The screenshot shows a web page with a navigation bar at the top containing a home icon and the text "HOME". Below the navigation bar is a blue header with the word "Login" in white. Underneath the header, there are two input fields: "Login ID" and "Password". A green callout box with the word "username" in white points to the "Login ID" field. Below the "Login ID" field is a checkbox labeled "Remember Me". At the bottom of the form is a button labeled "Log-in".

Please access the poster session website using the following URL.

<https://atpc2022.symposium-hp.jp/login/>

Enter your "username" and "password" to log in.

Once logged in, you will see "My Page".

To log out, select "Logout" in the upper right corner of the page, and a completion screen will appear to complete the logout process.

2. Upload poster image

The screenshot shows a user profile interface. At the top left is a grey circular placeholder for a profile picture. To its right is a blue header bar with a white person icon and a 'Name' label. Below this is a 'Poster Information' section with a progress bar containing four steps: 'Step 1. User registration', 'Step 2. Poster registration', 'Step 3. Upload Poster' (highlighted in blue), and 'Step 4. Complete'. Below the progress bar is a text instruction: 'Please upload poster data (jpg/png/tif) for your poster, and you will have until 23:59 on Monday, September 19, 2022 to replace your poster image.' This is followed by input fields for 'Poster title' and 'Paper id'. Below these is a 'Poster image' section with a 'Zoom' label and the text 'To be opened.'. At the bottom right of this section, a button labeled 'Upload poster image' is highlighted with a red rectangular frame.

Click on "Poster Information" in the middle of "My Page" and click on "Upload Poster Image" in the red frame.

Select the poster image you wish to upload, and a preview of the selected image will appear.

The screenshot shows the 'Edit' poster information page. At the top is a blue header bar with the word 'Edit'. Below it is a 'Posterimage' section with a 'Select poster image' button. Underneath this button is a small text note: 'Jpg, png, tif formats are available (max file size: 5MB, file width is 1000px ~ 2000px)'. At the bottom of the section, a button labeled 'Update Post' is highlighted with a red rectangular frame.

Click "Update Post" in the red frame of the screen.

When the message "Upload of files is complete." is displayed, the upload is complete.

2-1 Replacement of poster image

When you replace the uploaded poster image, a trash can icon will appear as shown in the red frame of the screen.

Click "Yes, delete it" on the confirmation screen to delete it.

Once deleted, follow the same procedure as "Upload Image" to select another image and press the Upload button to replace the poster image.
